5 Piano Exercises (for hand independence) piano exercise #1: Dynamics. The first exercise is a two-handed scale. But instead of playing C scale with both hands and calling it a day, we're going to go a step further. In the first part of the piano exercise, the right hand is loud while the left hand is quiet. This is very difficult!

Vorschule Im Klavierspiel, Op. 101, by Ferdinand Beyer (1803--1863) was first published in 1860. Since that time, it has been used by piano students throughout the world, especially in Asian countries. When compared with piano methods written in the 20th and 21st centuries, it appears more like a technique book than a piano method.
