Outpacing and Outlasting the Competition: Kawasaki’s Competitive Advantage. Kawasaki has been in the heavy industry business for over a century, and has used that long period of experience to build some of the best engines on the market. The models in its FR series of engines compete directly with the Honda GX line of v-twin engines.

Overview of Kawasaki FR Engine Series | Shank's Lawn Blog

I have a Kawasaki 18 hp vtwin that had a miss and not enough power to engage the mower blades. I changed the air filter (dirty), the plugs (black

sooty fouling), and the fuel filter (dirty) and the oil. There is spark and fuel in both cylinders. The left cylinder will run with the plug wire removed from the right. The right cylinder will not ...
