In 1976 the RD350 was replaced by the increased piston displacement and stroke length of the RD400. This motorcycle also had it reigns on and off the track. Yamaha keeping its two-stroke "king of the hill" claim to fame until 1979 when the factory production street two-stroke journey came to its end.

Harness - HVCcycle

Few changes have been made in the RD400 since it appeared in the 1976 model year. At that time Yamaha re-engineered and re-worked the RD350 so substantially that the company in effect created a new motorcycle that only happened to look very much like the old one. (See Cycle, April 1976). After that,
