The Boeing 747 - Everything You Need To Know - Simple Flying

Overview. 747 is mainly a close-quarter combat orientated map (although snipers may be present on the roof and the outside of the airport and plane). Thus, many players and bots will use the Leone 12 Gauge Super, Leone YG1265 Auto Shotgun, M249, Flashbangs, Submachine guns, and the Tactical shield. Sniper rifles are recommended when engaging enemies outside the plane since there is a lot of open space.

Guide for Conducting Forensic Investigations of Highway Pavements. TRB's National Cooperative Highway Research Program Report 747: Guide for Conducting Forensic Investigations of Highway Pavements explores a process for conducting forensic investigations of pavements that is designed to help understand the reasons behind premature failures or exceptionally good performance.

Guide for Conducting Forensic Investigations of Highway ...

However, if you are discussing, for example, the historical context in which the episode originally aired, you should cite the full date. Because you are specifying the date of airing, you would then use WB Television Network (rather than Mutant Enemy), because it was the network (rather than the production company) that aired the episode on the date you're citing.
