Alamut Vladimir Bartol

Alamut is a novel by Vladimir Bartol, first published in 1938 in Slovenian, dealing with the story of Hassan-i Sabbah and the Hashshashin, and named after their Alamut fortress . Bartol first started to conceive the novel in the early 1930s, when he lived in Paris. In the French capital, he met with the Slovene literary critic Josip Vidmar, who introduced him to the story of Hassan-i Sabbah.

Alamut (Bartol novel) - Wikipedia

Alamut was a real place and the events did loosely happen, based around the time we would call the Crusades. The fact that the author never wrote another novel before or after despite being an academic says much. Clearly Bartol did a lot of research. Although much he wrote is a condensation of Alamut's history, as much as we know that is, it works.

Bartol was generally a man of ideas and thought experiments, and not exactly a master of prose. The prose is awkward and uninspired, generally dull and prone to dip into cheesiness when he tries to go beyond his abilities. He's not very good at evocative imagery, which is really a shame, given the oriental setting. Partly it's because Slove

Alamut is a timeless sort of political allegory, as in 1100, and in 1938 when Bartol published it -- and now -- and almost every time between, the abuse of faith (in all its variations, religious and otherwise) and the ability to twist minds to obtain blind (and literally thought-less) obedience has been a popular technique. With its colourful setting and appealing set-up -- in particular presenting the artificial paradise from all sides (architect Hasan's, as well as that of the girl play ...
