Prostitution in ancient Rome was legal, public, and widespread. Even Roman men of the highest social status were free to engage prostitutes of either sex without incurring moral disapproval, [12] as long as they demonstrated self-control and moderation in the frequency and enjoyment of sex. Latin literature refers often to prostitutes. Real-world practices are documented by provisions of Roman ...

Much of Gervex's early work was based on myth and stories, which were more often than not just an excuse to paint nude women. Rolla is no exception. He was well liked by the Salon de Paris, but they savagely rejected Rolla on the grounds of it being "immoral". However, the resulting scandal meant that when the painting was finally exhibited a short while later, crowds rushed to see it.
