Intentions In Architecture

Summary. The chief focus of the book is on the symbolic and linguistic. The purpose is to develop an integrated theory of architectural description and architectural intention (and this includes the intention of the user as well as that of the designer), insofar as architecture is an art. Norberg-Schulz is a practicing

Intentions in Architecture. By Christian Norberg-Schulz. Read preview. Excerpt. The present study has grown out of the concrete problems an architect encounters in his profession. We do not, in the first place, think of the technical difficulties which have to be surmounted in connection with any building task, but we rather have in mind the ...
