We offer introduction to plant biotechnology hs chawla and numerous books collections from fictions to scientific research in any way. in the middle of them is this introduction to plant

**Introduction To Plant Biotechnology Hs Chawla**

The word "biotechnology" was first used in 1917 to describe processes using living organisms to make a product or run a process, such as industrial fermentations. In fact, biotechnology began when humans started to plant their own crops, domesticate animals, ferment juice into wine, make cheese, and leaven bread.
