The Invisible Data War. 09/27/2020 By Stillness in the Storm Leave a Comment. (Norman F. Anderson) Until recently the biggest source of global conflict had to do with energy, oil, and gas resources, but today data is more valuable, and much more disruptive. The bits and bytes of the information revolution are, it turns out, are disruptive economically and geopolitically.

The Invisible Data War - Stillness in the Storm
