I have a jd 4960 that 3pt suddenly quit working. Will not raise or lower. Mechanic's Assistant: ... Open the fuse panel and put a spare fuse in the vacant position that shows a picture of a tractor. ... i have a john deere 5203 and the rear arms will not raise. front end loader is working ok. ...

I have a jd 4960 that 3pt suddenly quit working. Will not ...
The fuses and relays are behind the left side cowlng. I would check connections at F4 fuse and K3 relay. Check for power at that fuse when blower is on and connected. If power stays at 12 volts, then the problem is further towards the blower. In front of the firewall is a rectangular connector with 4 wires.
