Car and Driver The field of crossovers and SUVs available with a manual transmission continues to shrink. Stick-shifts are disappearing from the market left and right, with models such as the Jeep...

Every Crossover and SUV With a Manual Transmission

The Sportronic transmission is like a manual transmission except it can select two gears simultaneously. The Sportronic transmission is similar to having two three-speed manual transmissions operating together on the same output shaft. The odd and even number gears are on separate input shafts, with each shaft connected to its own clutch.
