Radiohead and Philosophy: Fitter, Happier, More Deductive ...

Radiohead and Philosophy is a wonderful thought-provoker for nerds who love Radiohead. Some of the essays strayed into that "okay, that's a stretch" territory, which is a common pitfall for this type of writing, but all of the pieces demanded a deeper examination of the material than we usually undertake while rocking out in the car, which is precisely what I was hoping for.

In the song "Fitter Happier", Radiohead explores how we arrive at emotional estrangement and the consequences of allowing it to happen. The track is less of a song, so much as a list poem recited by the emotionless computer voice of the Macintosh SimpleText software. On the surface, "Fitter Happier" is a positive song.
