Thus, qigong means working with the life energy, learning how to control the flow and distribution of qi to improve the health and harmony of mind and body. Qigong is a wholistic system of self healing exercise and meditation, an ancient, evolving practice that includes healing posture, movement, self massage, breathing techniques, and meditation.

The Way of Qigong: The Art and Science of Chinese Energy ...

Kenneth S. Cohen's The Way of Qigong is a really great book on Qigong. Some say that the drawings are not adequate to understanding the moves they illustrate; however, we find that if you combine them with the descriptions, it is really quite clear. And this book has everything.
