The first and most basic principle of the Constitution—the principle of limited government—begins to emerge in the very first three words of the Preamble. The government of the United States, those three words declare, only exists because We the People choose that it should exist.

Limited Government | Shmoop

Where To Download Walk Through Constitution Study Guide Answer Key

Since ratification in 1789, the Constitution has been amended only twenty-seven times. The first ten amendments were added in 1791. Responding to charges by Anti-Federalists that the Constitution made the national government too powerful and provided no protections for the rights of individuals, the newly elected federal government tackled the issue of guaranteeing liberties for American citizens.
